Greetings!

Come join the South Coast Refineries as they battle for the coveted Refinery Cup. Congratulations to Valero, the 2009 champions. Can the other refineries regain bragging rights for 2010? The tournament fee is \$175 per player and is **restricted to 144 players on a strict "first come - first served" basis.** This tournament consistently sells out! Reservations not paid in full by August 20th will be forfeited to a person on the stand by list.

The world famous Associates raffle will be held during the dinner. Raffle tickets are available in advance in sets of 5 for \$20. Your support is needed for raffle prize donations, so please look around your donation closet for items such as golf equipment, sporting event tickets, consumer electronics, wine, etc. **This year, we'd like to ask every team to donate something to the raffle.** Please indicate what you intend to donate when you register for the tournament. We are also looking for goodie bag items (175) as well. Contact [Elaine Delgadillo](#) by email or at (310) 808-2141 for more information.
